About Bloomsburg

Bloomsburg University, a member of Pennsylvania’s State System of Higher Education, is a four-year coeducational public university founded in 1839. Through the stages of its development from a normal school to a teachers college to a multipurpose state college and finally to a university in 1983, the institution has retained its emphasis on liberal arts and career education.

Bloomsburg is recognized as one of the best 100 public universities in the United States, and excellence, ranging from its 12 NCAA championships to its international reputation in a number of its academic programs, is an attitude found throughout the faculty and staff.

About 90 percent of Bloomsburg’s students come from throughout Pennsylvania, creating a diverse mix of cultures and ideas. It’s a place where friendships that last a lifetime begin. And it’s a busy place — with more than 160 student organizations and activities, NCAA Division II athletic programs and a popular recreation center.

The university’s Division of Continuing and Distance Education serves students through nondegree credit courses, noncredit minicourses, off-campus classes, credit for life experience and distance learning courses on public television.

The Town of Bloomsburg, located in the Susquehanna River Valley, has a population of about 12,000 people. The central business district is just three blocks southwest of campus, and includes more than 80 retail stores, restaurants, and the Bloomsburg Fair in September. More stores, restaurants and theaters can be found along nearby Route 11 and at the Columbia Mall, northwest of town.

The university is within a one-hour drive from such cities as Hazleton, Williamsport, Wilkes-Barre and Scranton; 1.5 hours from Harrisburg; 2.5 hours from Philadelphia; 3 hours from New York City and Baltimore; and four hours from Pittsburgh and Washington, DC.

A Few Facts About Bloomsburg

**Enrollment**— Total enrollment is over 8,940, with an average incoming SAT of 1070 and class rank in the upper 25 percent; Bloomsburg admits one in seven applicants and has a four-year retention rate significantly higher than the national average. About 60 percent are women and 10 percent are nontraditional. About 90 percent of Bloomsburg graduates are quickly placed in their chosen fields.

**Faculty**— With approximately 1,000 employees, Bloomsburg University has 385 full-time faculty, 70 percent of whom hold doctoral degrees and 72 percent of whom are tenured. The staff is organized into four divisions: Academic Affairs, Administration, Student Life and University Advancement. Governance is through the State System of Higher Education’s Board of Governors and through the university’s Council of Trustees.

**Degrees**— Bloomsburg University offers 63 baccalaureate degrees, one associate degree, 19 master’s degrees and a joint doctoral degree in elementary education in cooperation with Indiana University of Pennsylvania.

**Financial Aid**— About 70 percent of all students receive some form of financial aid; average amount of aid is $4,782 per year.

**School Colors, Mascot**— The school colors of Bloomsburg University, originally “lemon and garnet,” have been maroon and gold since the 1920s. In the early 1930s, the Husky became the school mascot when a dog owned by a faculty member accompanied Adm. Richard E. Byrd on an expedition to the South Pole.

IN MEMORY OF JOHN DEVLIN
1937-1998

For 36 years of his life John Devlin was devoted to coaching football, the game he loved so much. Even more so, he was devoted to the young men whose lives he touched and influenced beyond the football field. Whether he was coaching on the professional or college level, John never wavered from the first mission of coaching, being a teacher to the next generation of young men.

On July 15, 1998, John passed away after suffering a heart attack. The entire Bloomsburg University community misses John and the devotion he brought to his profession. John’s family and friends have started the John Devlin Memorial Scholarship to honor his memory. A golf tournament, which has netted over $170,000, has been held each of the last seven years to benefit the scholarship fund.

Danny Hale will begin his 13th season leading the Huskies’ football program. Hale had a previous five-year coaching tenure at West Chester. Hale has a record of 95-38-1 (.712) at Bloomsburg and is ranked in the top 10 among active coaches on the all-time NCAA Division II winning percentage list with a career record of 135-51-1 (.724). Hale was named the 2001 PSAC East Coach of the Year for the eighth time in his career along with picking up the American Football Coaches’ Association (AFCA) Division II District I Coach of the Year for the seventh time. Following the 2000 season when Hale led the Huskies to the NCAA Division II title game, he was named the AFCA Division II National Coach of the Year. That year Hale led Bloomsburg to a 12-3 record. Hale was also named the AFCA District I Coach of the Year and the PSAC Eastern Division Coach of the Year for 2000. He also earned Coach of the Year honors from the PSAC East from 1994 to 1997, while in 1994 and 1995, he was honored by the AFCA District 1 as Coach of the Year. In 1999, Hale broke A.K. Aldinger’s 94-year old record for most career wins by a Bloomsburg football head coach. Hale picked up his 100th career head coaching win against Kutztown during the 2000 season.

In 1997, Hale also coached Irv Sigler, the winner of the 1997 Harlon Hill Award for the nation’s best Division II football player. As a result, he was named the 1997 PSAC East Coach of the Year for the fourth consecutive season.

Prior to West Chester, Hale was an offensive line and defensive coordinator coach at Colgate from 1981 to 1983. Prior to Colgate, Hale was the offensive line coach at Bucknell from 1975-80 and was defensive coordinator/linebacker coach at Vermont in 1974.

Hale is a graduate of West Chester, earning his bachelor’s and master’s degrees in Health and Physical Education in 1968 and 1973. He was an all-conference pick at West Chester and earned the team’s most valuable player in the 1967 State Championship game, while also lettering three times for the track and field team. He is a member of the West Chester Football Hall of Fame and the Delaware County Chapter of the Pennsylvania Sports Hall of Fame.

In 1968 Hale signed with the Pottstown Firebirds, the semi professional farm club of the Philadelphia Eagles, before entering the Marine Corps where he played middle linebacker for the Quantico Marines. Following a three-year stint, he was honorably discharged as a first lieutenant in 1972.

Hale and his wife Diane are the parents of four children, Roman; Brandie; Tyson; and Christina and have eight grandchildren.

**Head Coach Danny Hale**
Paul Darragh enters his ninth season at Bloomsburg. Prior to working with the Huskies, Darragh worked for two years at Indiana (PA) as the linebackers coach. Darragh started his coaching career as a graduate assistant at Temple from 1987-89. From there, Darragh was the linebackers’ coach at Northeastern and Gannon before being promoted to defensive coordinator at Gannon. He moved from Gannon to the defensive coordinator post at William Paterson College before joining the IUP staff. A three-year starter and captain for Temple, he graduated in 1985, after earning All-East honors as an inside linebacker.

Under Darragh’s leadership the Huskies’ defense has ranked in the top-half of the PSAC in total defense three of the past four seasons, including back-to-back second place finishes in 2000 and 2001. The Huskies have also ranked among the best in the PSAC in run defense finishing first or second in three of the last four years. The 2000 NCAA national finalist team led the PSAC and was eighth in Division II in rushing defense with a mark of 85.1 yards per game.

Darragh and his wife Yelana live in Orangeville with their children Sasha, Lemuel and Gabriel.

Brian McBryan begins his 13th season at Bloomsburg. He previously coached the offensive line for one year at Bucknell, was the defensive line coach at Susquehanna University for six seasons, and served prior stints at Milton, Danville and Renovo-Bucktail high schools. McBryan is a 1980 graduate of Lock Haven, where he was a three-year starter as an offensive lineman. He was a member of the Bald Eagles’ 1979 PSAC championship squad.

McBryan resides in Bloomsburg with his wife Cindy and their two children, Laura, and Matthew.

Tom Pajic begins his second season at Bloomsburg as offensive coordinator and recruiting coordinator. He will also coach the wide receivers and quarterbacks.

Tom Pajic begins his second season at Bloomsburg as offensive coordinator and recruiting coordinator. He will also coach the wide receivers and quarterbacks.

Frank Williams boasts the most years (29) as a member of the Bloomsburg coaching staff and has served under five head coaches. Joining the Huskies in 1976, he spent the 1981 season at Bucknell, before returning to Bloomsburg upon George Landis’ arrival in 1982. He has been with Bloomsburg in every season since that time. Williams attended Kutztown where he was an All-Pennsylvania State Athletic Conference selection and is a member of that university’s Athletic Hall of Fame.
**2005 Preview**

Heading into the 2005 season Bloomsburg University head coach Danny Hale feels his team has an excellent chance at being a contender in the always-tough Pennsylvania State Athletic Conference (PSAC) Eastern Division.

"Realistically I feel we (Bloomsburg) can challenge for both the PSAC East title as well as a spot in the NCAA playoffs based on the experience we have returning, especially in the skill positions," said Hale. "Add our depth to our experience and we feel we have a strong team."

**OFFENSE**

"The strength of our offense will be our run game," Hale commented. "We have many of key components returning in both ball carriers and blockers. We probably have one of the best 1-2 punches in the league at tailback in Jamar Brittingham and Josh Heck. We are also strong at quarterback with Jack Lydic and are optimistic at wide receiver."

**QUARTERBACK**

The Huskies feature a pair of senior signal callers at the top of the depth chart in Lydic and Al West. The 2004 season was a sub-par statistical season for Lydic through no-fault of his own, but he is really a coach on the field and knows the system well. He is backed up once again by Al West, who is experienced and knows the offense well.

**RECEIVERS**

The receiving corps a year ago lacked the experience to make them a solid group. Now one year wiser and with lots of game experience, the 2005 receivers are looking for a breakout year. Senior Donny Patrick, a starter two years ago, returns after sitting out last season and will be joined by Greg Masters, Adam Cherry, Brahin Bilhalto make contributions to this year’s team giving the Huskies six legitimate receivers to work with in 2005.

**RUNNING BACKS**

No other team in the PSAC has had the reputation over the years for producing outstanding tailbacks more than Bloomsburg. And 2005 will be no exception. With PSAC East Rookie of the Year Jamar Brittingham leading the way, the Huskies will have both talent and depth at the position. Joining Brittingham will be red-shirt sophomore Josh Heck who rushed for over 800 yards a freshman two years ago along with talented red-shirt freshman Christian Allen who wowed everyone with his play in spring practice. At fullback, Jay Collins and Shawn Williams both return after having split time at the position last year. Freshman Jake Engle also looked good in spring practice and will compete for playing time.

**TIGHT END**

The Huskies have two top-notch tight ends in Luke Kublick and Brad Bowman. Both are good blockers and can catch the ball with Kublick having the added bonus of being able to get downfield to make catches. Al Meacham will also battle for time.

**OFFENSIVE LINE**

Any team’s real key to success is on the offensive line and the Huskies have some of the best upfront in 2005. Jabri Evans, an All-American last year and an NFL-prospect, leads the way for the Huskies on the offensive line. The 6-4, 330-pound Evans was a finalist for the Gene Upshaw award a year ago and should be one of the favorites for the title this year. Joining him upfront will be All-PSAC selections Winton Shelton and John Moser along with Dave Shermaria, in his first full season on the offensive line after starting out as a defensive lineman. Pat Spadaro will be a key player seeing time at both guard and tackle, while at center, Bryan Scruggs returns giving Bloomsburg great experience.
2005 Preview

Providing depth will be Brock Carpenter, Stephen Hillard, Sean Krim and Mike Heydt.

DEFENSE

“The defense is much improved over last year,” said coach Hale. “We have experience up front, we just have to make a few more big plays on defense to be successful.”

DEFENSIVE LINE

The Huskies are solid up front with the return of three All-PSAC performers in Dominick Esgro, Scott Keating and Todd White. Other key players returning are Jordan Golob and Zac Barton, who plays on every special teams unit. Justin Colon and Steve Draper all saw significant playing time and will be featured members at rush end. Joining White and Keating at tackle will be Corey Gipe, Matt Brazil and Earl McNeil.

LINEBACKERS

The Huskies once again feature a strong group of linebackers led by returning starters Kyle Sosnovik and Matt Smith on the outside and Rob Biernat in the middle. Also look for Rodney Johnson, Darnell Hayes, Glen Connolly, Greg Myers, Dan Tilliotson and Pat Carroll to be key performers.

DEFENSIVE BACKS

In the defensive secondary the Huskies return three starters, but were hurt by the loss of Joe Scritchfield to injury. At corner, the lone returning starter is Keith Davis. He will be joined by a group that includes Greg McGhee, Marcus Waddy and newcomers Jake Searfass and Greg Nash.

At safety Tyler Trettin and Ty Ulrich are both returning starters and will be joined by Gabe Robinson, Phil Riccardi, Jeremy Lightner and Joey Kleiner.

SPECIAL TEAMS

The Huskies return All-PSAC kicker Garrett Bloom to the lineup. Bloom, a year ago, hit on 40 of 42 extra points and also converted eight of 12 field goals. The punting duties will be handled by a newcomer to be chosen from either Adam Cherry or Kyle Ream.

Punt return duties will go to Brittingham, while kickoff return duties will be handled by Josh Heck, Christian Allen or Greg McGhee. The long snapper is Brad Naior, while Jordan Golob is the short-snapper. Receivers Kevin Keating and C.J. Lapp will handle the holding duties.

OVERALL

“The PSAC East is a week-to-week battle,” Hale said. “Every team in the division is capable of going out and beating another team in the division week in and week out. There are no easy games.”

“Plus, for us, we cross over and have to face Western Division teams such as IUP, Slippery Rock, Shippensburg and Lock Haven,” Hale continued. “You have to be ready to play each week.”
