ABOUT BLOOMSBURG

Bloomsburg University, a member of Pennsylvania’s State System of Higher Education, is a four-year coeducational public university founded in 1839. Through the stages of its development from a normal school to a teachers college to a multipurpose state college and finally to a university in 1983, the institution has retained its emphasis on liberal arts and career education.

Bloomsburg is recognized as one of the best 100 public universities in the United States, and excellence, ranging from its 12 NCAA championships to its international reputation in a number of its academic programs, is an attitude found throughout the faculty and staff.

About 90 percent of Bloomsburg’s students come from throughout Pennsylvania, creating a diverse mix of cultures and ideas. It’s a place where friendships that last a lifetime begin. And it’s a busy place — with more than 160 student organizations and activities, NCAA Division II athletic programs and a popular recreation center.

The university’s Division of Continuing and Distance Education serves students through nondegree credit courses, noncredit minicourses, off-campus classes, credit for life experience and distance learning courses on public television. The Town of Bloomsburg, located in the Susquehanna River Valley, has a population of about 12,000 people. The central business district is just three blocks southwest of campus, and includes more than 80 retail stores, restaurants, and the Bloomsburg Fair in September. More stores, restaurants and theaters can be found along nearby Route 11 and at the Columbia Mall, northwest of town.

The university is within a one-hour drive from such cities as Hazleton, Williamsport, Wilkes-Barre and Scranton; 1.5 hours from Harrisburg; 2.5 hours from Philadelphia; 3 hours from New York City and Baltimore; and four hours from Pittsburgh and Washington, DC.

Faculty — With approximately 1,000 employees, Bloomsburg University has 383 full-time faculty, 70 percent of whom hold doctoral degrees and 72 percent of whom are tenured. The staff is organized into four divisions: Academic Affairs, Administration, Student Life and University Advancement. Governance is through the State System of Higher Education’s Board of Governors and through the university’s Council of Trustees.

Degrees — Bloomsburg University offers 63 baccalaureate degrees, one associate degree, 19 master’s degrees and a joint doctoral degree in elementary education in cooperation with Indiana University of Pennsylvania.

Financial Aid — About 70 percent of all students receive some form of financial aid; average amount of aid is $4,782 per year.

School Colors, Mascot — The school colors of Bloomsburg University, originally “lemon and garnet,” have been maroon and gold since the 1920s. In the early 1930s, the Husky became the school mascot when a dog owned by a faculty member accompanied Adm. Richard E. Byrd on an expedition to the South Pole.

Danny Hale begins his 14th season as the head coach of the Bloomsburg University football program. He also spent five years as the head coach at West Chester.

At Bloomsburg, Hale has posted a career record of 106-39-1 (.729) and holds the school record for most coaching victories. Overall in 18 years as a head coach he has a mark of 146-52-1 (.736) and is ranked among the top 10 active coaches in NCAA Division II in winning percentage. He has led the Huskies to seven shared or outright Pennsylvania State Athletic Conference (PSAC) Eastern Division titles and four NCAA post-season playoff berths.

In 2005, Hale led the Huskies to a record of 11-1, including an unbeaten (11-0) mark in the regular season. It was just the fourth time in school history that a Bloomsburg team went through the regular season without a loss. He also led the team to the NCAA Division II playoffs for the fourth time in his 13 years and the fifth time in school history. He earned PSAC Eastern Division Coach of the Year honors for his efforts.

The Huskies also reached the NCAA championships in 1996, 2000 and 2001. During the 2000 season the Huskies were 12-3 and advanced to the NCAA championship game, eventually losing in the title contest. The team reached the finals after rallying from a 19-point deficit against UC-Davis in the national semifinals to post a 58-48 win. Hale earned the American Football Coaches Association Division II National Coach of the Year following the season.

Hale has also earned AFCA District I Coach of the Year honors seven times, including back-to-back years of 2000 and 2001. He has been named the PSAC Eastern Division Coach of the Year nine times, including four straight from 1994 to 1997.

Hale also coached Irv Sigler, the winner of the 1997 Harlon Hill Award as the nation’s best Division II football player. Sigler finished the year as one of the few players ever in Division II history to average more than 200 yards per game rushing.

In addition, Hale has also coached Jamar Brittingham, a 2005 top three finalist for the Harlon Hill award. Brittingham finished the year as college football’s top rusher and scorer and was fourth in Division II in all-purpose yards.

Assistant Coaches-Coordinators

Paul Darragh
Assistant Head Coach
Defensive Coordinator-Linebackers

Paul Darragh enters his 10th season at Bloomsburg. Prior to working with the Huskies, Darragh worked for two years at Indiana (PA) as the linebackers coach. Darragh started his coaching career as a graduate assistant at Temple from 1987-89. From there, Darragh was the linebackers’ coach at Northeastern and Gannon before being promoted to defensive coordinator at Gannon. He moved from Gannon to the defensive coordinator post at William Paterson College before joining the IUP staff. A three-year starter and captain for Temple, he graduated in 1985, after earning All-East honors as an inside linebacker.

Under Darragh’s leadership the Huskies’ defense has ranked in the top-half of the PSAC in total defense three of the past four seasons, including back-to-back second place finishes in 2000 and 2001. The Huskies have also ranked among the best in the PSAC in run defense finishing first or second in three of the last four years. The 2000 NCAA national finalist team led the PSAC and was eighth in Division II in rushing defense with a mark of 85.1 yards per game.

Darragh and his wife Yelana live in Orangeville with their children Sasha, Lemuel and Gabriel.

Tom Pajic
Offensive Coordinator
Recruiting Coordinator
Wide Receivers/Quarterbacks

Tom Pajic begins his third season at Bloomsburg as offensive coordinator and recruiting coordinator. He also coaches the quarterbacks and wide receivers.

Under Pajic’s leadership the Huskies set school single-season records in 2005 for rushing yards, total offense, points and touchdowns. Bloomsburg also ranked fifth in rushing yards per game in Division II in 2004, while finishing eighth in 2005. The Huskies have also led the PSAC in rushing yards per game each of the last two years and have been in the top four in total offense and scoring both years.

Pajic, a 1991 Bloomsburg graduate, came to the Huskies after spending four years as the wide receivers coach at the University of South Florida (USF). Prior to working at USF, Pajic spent one season as the offensive coordinator at Wilkes University, and has also worked at Hofstra, Fordham and Gettysburg.

While at USF, Pajic coached the receivers for the Bull’ up-tempo, spread offense as well as the kick and punt returners. Under his leadership the Bulls’ were ranked nationally in both categories. While at South Florida, Reed led Conference USA in kickoff return yardage.

At Wilkes in 1999, Pajic helped the Colonels to a 7-4 record and the ECAC Southeast championship. That season Wilkes was ranked third in the Middle Atlantic Conference in total offense; number three in passing; and number five in rushing.

In 1998, Pajic spent one season coaching the wide receivers at Hofstra. He was also the recruiting coordinator, running backs coach and tight ends coach at Fordham from 1995 to 1998. He began his college coaching career in 1994 at Gettysburg College where he coached the wide receivers, tight ends and punters.

While a player at Bloomsburg, Pajic set a school record for most receptions in a game with 17 against Lock Haven.

Pajic, his wife Julie, daughter Grace Caraline and newborn son, Thomas Anthony, Jr., reside in Bloomsburg.

McBryan is a 1980 graduate of Lock Haven, where he was a three-year starter as an offensive lineman. He was a member of the Bald Eagles' 1979 PSAC championship squad. McBryan resides in Bloomsburg with his wife Cindy and their two children, Laura, and Matthew.

Perkins and his wife Debbie are the parents of two daughters, Leighnah and Willow.

Chet Henicle
Defensive Secondary

Henicle starts his third season at Bloomsburg after previously coaching three years at Wingate (NC) University where he was the defensive backs coach and recruiting coordinator.

Prior to working at Wingate, Henicle spent four years at Lenoir-Rhyne College. He started his college coaching career in 1996 at Bloomsburg where he was in charge of the receivers. He also spent one season at Waynesboro High School.

A Bloomsburg graduate, Henicle was an All-American in two sports. During his career he was recognized as the school’s Undergraduate and Senior Male Athlete of the Year.

As a starting safety on the Bloomsburg football team, Henicle was named the team’s MVP and Defensive MVP along with garnering All-Region and All-PSAC honors twice. As a junior he finished second in the nation in interceptions with eight. As a senior he was named an All-American and was chosen to play in the Snow Bowl, the top Division II all-star game in the country.
Assistants Coaches

Frank Williams
Defensive Line

Frank Williams boasts the most years (30) as a member of the Bloomsburg coaching staff and has served under five head coaches. Joining the Huskies in 1976, he spent the 1981 season at Bucknell, before returning to Bloomsburg upon George Landis’ arrival in 1982. He has been with Bloomsburg in every season since that time.

Williams attended Kutztown where he was an All-Pennsylvania State Athletic Conference selection and is a member of that university’s Athletic Hall of Fame.

Maurice Daly
Assistant Linebackers

Daly begins his eighth season as assistant linebackers coach. Prior to Bloomsburg, he had a short stint with Central Columbia High School after relocating to the area from Michigan.

In Michigan he was the head football coach at Holy Redeemer High School for the 1994 season. A native of New York City, Daly attended Queens College, NY in 1972.

Daly lives in Danville with his wife Toni, his daughters Allison, Andrea and son Maurice. He is employed at Geisinger Medical Center in the dept of Gastroenterology.

Prior to his work with the NBA, Rush worked as a teacher and football coach for Marple-Newton High School in suburban Philadelphia. He is a graduate of West Chester University where he played varsity football. He is also a nationally recognized motivational speaker specializing in leadership.

A native of Philadelphia, PA, Rush and his wife Trudy, the parents of four children, reside in Bloomsburg and have one grandchild.
2006 Season Preview

“The 2005 season is history and we need to find an identity,” is how Bloomsburg University coach Danny Hale sums up his feelings as he prepares for a new season.

The season that Hale refers to was an 11-1 (undefeated regular season) that also featured a berth in the NCAA playoffs. In addition, the team featured Jahri Evans, a fourth-round pick in the NFL draft, and Jamar Brittingham, the PSAC Eastern Division Player of the Year, who also finished third in the balloting for the Harlon Hill Award.

“We have enough returning players, especially on defense, that I know we will be in the hunt for the PSAC East title,” Hale added. “But, we need to put the past to rest and focus on getting better as a team each and every day.”

“Our schedule is also one of the toughest we have ever had here at Bloomsburg,” continued Hale. “We open with a 1-AA opponent (James Madison) and also face tough PSAC-West teams in California, Edinboro and Shippensburg, along with all our Eastern Division rivals.”

Offense

“We will have a new look at the quarterback, but should once again be a very effective running team,” said Hale. “And while the loss of Evans will hurt on the offensive line, we do have three returning starters on the line on which to rely.”

Quarterback

The Huskies go into the new season with a question mark at quarterback. With three players battling for time, Matt Freedman has the edge based on his experience with the team. However, he has yet to attempt a pass in a regular season game. Battling with Freedman will be Dan Latorre and Bryan Rankin. Both performed well at times in spring ball, but are new to the program.

Running Back

Running back is one of the deepest positions on the team led by Jamar Brittingham, a Harlon Hill finalist in 2005. Brittingham smashed nearly every single-season record for both the team and the PSAC last year, while also leading all of college football in both yards per game and in scoring. He will be joined at tailback by Josh Heck, Christian Allen and Brad Nailor.

At fullback, Jay Collins returns to the lineup after his 2005 season was cut short due to an injury. Look for three experienced players in Jake Engle, Tony Ruth and Colt Givler to see time behind Collins.

Wide Receiver

The Huskies return a talented group of players at wide out in 2006. Leading the way is Ryan Schuck, a “go-to” guy for the Huskies last year, while Greg Masters and Brahin Bilal will also be called on to make big plays. Masters is a two-year starter, while Bilal is a deep threat receiver with good speed.

In addition, look for Kyle Ream to make the transition from quarterback to wide receiver with Matt Hamm, Jordan Weisman and CJ Lapp providing depth.

Tight End

The Huskies return a solid performer in Luke Kuklick, who made 13 receptions a year ago. Backing up Kuklick will be Al Meacham, Ryan Barr and John McFillin.

Offensive Line

Despite losing Evans to the NFL draft, Bloomsburg returns quality and experience at every position. Wynton Shelton, Bryan Scruggs, Dave Shemaria are all returning starters for the Huskies, while Luke Adams is back with the team and also has a great deal of experience. Also competing for playing time will be guards
2006 Season Preview

Brock Carpenter, Mike Heydt, and Steve Sweigert. At tackle, look for Joe Kantz, Seam Krim and Luke Beall to see a lot of field time, while Steve Colston will backup at center.

Defense

"I feel very good going into the pre-season practice our defense will be the strongest part of the team," Hale continued. "We posted shutouts in four games last year and have lots of players returning. Along with that, the team selected three defensive players as captains for the 2006 season, which tells me a lot about how our team respects the job these guys have done."

Defensive Line

The Huskies defensive front will be led by tri-captain Scott Keating along with Corey Gipe, both tackles. Both players had excellent spring practice and will be counted to provide leadership up front. On the outside, look for returning starters Justin Colon and Zac Barton to once again have big seasons. Providing depth at tackle will be Jermaine Booker, while Jon Ochs and Stevie Draper backup at tackle.

Linebacker

Always one of the team’s strongest positions, 2006 is no exception. Led by tri-captain Rob Biernat, a first team All-PSAC selection, along with Kyle Sosnovik and Matt Smith, the Huskies have three solid performers at the position. Providing backup will be Dan Tillotson, Greg Myers, Pete Wonderland and Christian Boyer. Overall it is an outstanding group of players with lots of experience.

Defensive Back

On the corner, Marcus Waddy is back after starting last season, while Jesse Cooper and Domenique Price will battle for the other starting spot. Pat Kaiser and Brahin Bilal, from the offensive side of the ball, will also be competing for playing time at the position.

At safety, tri-captain Tyler Trettin, a first team All-PSAC East selection last year, leads a solid group of players with lots of field time. Among those players are Jeremy Lightner, Phil Riccardi and Joey Kleiner.

Special Teams

The Huskies will have a new look in 2006 at both placekicker and punter. Kyle Ream and Bryan Rankin will do battle in the fall along with incoming freshman Pat Yorks for the punting job.

Placekicking duties will be handled by either Jon Koening or Pat Kaiser. Koening handled the duties in the spring and performed well in the spring game.

Punt returns will be fielded by Ryan Schuck and Brittingham, while kickoff return duties will be done by Schuck, Jesse Cooper or Kyle Ream.
2006 HUSKIES CAPTAINS

Zac Barton
R-Sr., DL, 6-4, 225
Berryville, VA (Loudan Valley)
Major: History

A big-play maker that returns for his senior year as one of the Huskies tri-captains. Barton has all of the tools necessary to change the momentum of any football game as he led the Huskies front last season in sacks. He is an extremely intelligent player who adds superior strength and quickness to a very experienced group of returners in this area. Barton has worked very hard in his off season conditioning and should battle for a spot on top of the PSAC statistics defensively. He has also performed very well in the classroom and is a Bloomsburg University Scholar-Athlete.

Trettin is a two-year starter at safety and earned first team All-PSAC honors in 2005. He finished third on the team in tackles (62) and second on the team in interceptions (4). He is a big, athletic player that possesses all the skills to be a difference maker for the Huskies defense. His play on the field and his off the field work habits make him a natural leader.

Defensive Line

Matt Brazil

Colon delivers a powerful shock on contact and should stalemate all opposing tight ends in the league going into 2006. Had a good season in 2005 and gained valuable experience playing 20-30 snaps in each of the Huskies' 12 games. Colon has explosive ability and also can run down opponents with uncanny speed. A very vocal leader who is full of emotions on the field. Has worked to become one of the starting four rushes that rotate in each game up front and also gained valuable experience in the 2005 season. He has a knack as a pass rusher, but he is also able to close the running lanes with both his physical presence and his on-field savvy. Draper is completing an internship this year at the Geisinger Medical Center.

Corey Gipe

Impressed the entire coaching staff with an outstanding spring. He has a great first step and uses his hands very well to escape from blocking schemes. Has increased his strength and is beginning to understand the defensive philosophy of the Huskies, and those two combinations should create a dominating football player. Gipe also coaches wrestling at Bloomsburg High School during the off-season.
