**The 1983 Huskies won the first-ever NCAA Division II National Field Hockey Championship**

1974
Bloomsburg plays the first field hockey game in school history and wins 3-1 over Bucknell. Mary Gardner is the coach.

1975
The Huskies post a record of 4-5-2. It is the last time a Bloomsburg field hockey team did not have a winning record.

1976
The Huskies post two 10-0 shutouts during the year on their way to a record of 7-2-2.

1977
The team ties a school record with 11 goals in an 11-0 win over Marywood College. The Huskies post their third winning season in four years.

1978
Jan Hutchinson hired as head coach. The Huskies go 10-3-1 in her first year posting seven shutouts during the season.

1979
Bloomsburg goes 4-4-4 in Hutchinson’s second year. The team ends the season with two wins and two ties.

1980
The first Pennsylvania Conference championship game is held with the Huskies finishing third.

1981
The Huskies win their first-ever women’s national championship with a 3-2 win over Lynchburg in the finals of the AIAW Division III tournament. During the season the Huskies win the 50th game in the program’s history, a 4-1 win over Mansfield.

1982
The Huskies finish second in the newly-created Division II.

**SOFTBALL**
One of the most successful coaches ever in Division II softball history, Jan Hutchinson recently completed her 31st season as head coach.

During her career as coach of the Huskies, Hutchinson has posted a record of 1,130-269-2 (.807) and has made an NCAA record 26 consecutive trips to the NCAA championship tournament (29 including AIAW and NCAA Division III). She has the most wins of any NCAA Division II coach in history and is sixth on the all-time win list regardless of division. She is also second on the NCAA Division list and seventh overall for highest winning percentage.

Bloomsburg has been to the championship round nine times, twice finishing as the national runner-up with losses each time in extra innings in the national title game. She also has six third-place showings and two fourth-place finishes. The Huskies also won the 1982 AIAW national championship.

In softball, Bloomsburg holds 16 NCAA Division II individual, team or championship records. In only her fourth season, Hutchinson won the national championship “double” in the 1981-82 school year, claiming the field hockey title in the fall and the softball championship that spring.

Bloomsburg has dominated Pennsylvania State Athletic Conference competition winning 14 softball championships. In addition, her players have enjoyed recognition in softball with 30 players earning 51 All-American awards.

**OVERALL**
Hutchinson’s achievements in coaching have not gone unnoticed by her peers. She has been honored with induction into both the National Fastpitch Coaches Association and the National Field Hockey Coaches Association Halls of Fame.

In addition, Hutchinson was named the winner of the C. Vivian Stringer Award by the United States Sports Academy in the summer of 2006.

Hutchinson’s coaching talents have not only helped those as student-athletes, but several of her former players have gone on to coach at the intercollegiate level. At Bloomsburg, she has former All-American performers as top assistant coaches in both field hockey and softball. Others have gone on to coaching jobs elsewhere, such as Janelle Breneman (assistant softball coach at the University of North Carolina), Marci Hickey (head softball coach at the University of North Florida), Leah Conte (head field hockey coach at South County, VA, Secondary School), Kathy Frick (former head coach at Goucher College, Bloomsburg, and current head coach of Lafayette University lacrosse) and Nicole Harttman Rhoads (head field hockey coach at Alvernia College).

Two former softball players have also played professionally. Janelle Breneman was a member of the Georgia Pride and Marty Laudato was a member of the Tampa Bay Fire Stix. In 1999 Laudato was named WPBL Hitter of the Year.

A 1971 graduate of East Stroudsburg University, Hutchinson also earned a master’s degree in education from the school in 1979. Prior to Bloomsburg, she initiated the women’s physical education program at Blair Academy and served as head coach for field hockey, basketball, and softball. She has also been inducted into the Newton High School, the Sussex County (NJ), and the Luzerne County (PA) Halls of Fame. In the year 2000, the Bloomsburg softball field was named in her honor.

**Assistance Coaches**

**Assistant Coach Gary Agard**
Agard is in his sixth season as an assistant coach at Bloomsburg.

A native of Trinidad and Tobago, Agard was a member of both the Jr. and Sr. national teams from 1981 to 1983. During the 1980s he continued to play local hockey for the Rangers field hockey club, a team comprised of nine members of the national team.

In 1992 Agard came to the United States to pursue a college degree. Here he coached with the late Michael Graham, who was at the time one of the selectors for the United States Men’s National team and the head coach of the Tristate Falcons Field Hockey Club.

After graduating from Brooklyn College in 1996 with a degree in Physical Education, Agard continued to play and coach for Tristate. The team were the champions of the North East Field Hockey Association from 1996 to 2001. In 2000, the team represented the United States at the inaugural Pan Am Field Hockey Club Championships held in Jamaica.
A veteran group will return for the Bloomsburg University field hockey team in 2008 as it looks to try and make it three straight NCAA Division II national titles for coach Jan Hutchinson.

The Huskies, who lost just two players to graduation last year, All-American Ashley Heckard and attack player Tara Bourke, will be led by four returning All-Americans, including last season's national Player of the Year in Jamie Vanartsdalen. Speed and depth will be the two greatest assets of the 2008 team. Last year's freshmen and red-shirts are now seasoned and will challenge the upperclassmen for time on the field. Plus, an extremely talented incoming freshmen class will add even more depth and competition to the team.

“We had had a great spring season, winning three tournaments,” said Hutchinson, who has the most wins of any field hockey coach in NCAA history. “The returning players have improved individually and collectively. Adding to their spring experience, the team went to Barbados and did exceptionally well against their foreign competition. They are really looking forward to the start of the season.”

ATTACK

NCAA Division II and PSAC Player of the Year, Jamie Vanartsdalen, will lead the attack along with All-American Sam Kropa. Vanartsdalen turned in one of the best season's ever produced by a field hockey coach in NCAA history. Last year's freshmen and red-shirts are now seasoned and will challenge the upperclassmen for time on the field. Plus, an extremely talented incoming freshmen class will add even more depth and competition to the team.

“We had had a great spring season, winning three tournaments,” said Hutchinson, who has the most wins of any field hockey coach in NCAA history. “The returning players have improved individually and collectively. Adding to their spring experience, the team went to Barbados and did exceptionally well against their foreign competition. They are really looking forward to the start of the season.”

DEFENSE

The Huskies' starting defenders are all back along with the return of 2006 All-American Venessa Wittman, who sat out last season due to a knee injury. Senior All-American Whitney Miller will anchor the center defender position again. In addition, senior Amy Gilbert, junior Kacy Friend, and sophomore Madison Schoch all return and had strong showings in the spring. Red-shirt freshmen Erin Lolley and Kim Angstadt will push the returners.

In the cage senior goalie Ken Ziants had an amazing spring. She is quick, skilled, aggressive, and anxious for her senior season. Junior Caitlyn Kocynski continued improvement during the spring season and will also see time in goal.

“Of course, overall, our goals remain the same,” Hutchinson continued. “We need to qualify for the playoffs with the goal of winning the PSAC and NCAA championships. The potential is there we just need to execute on the field.”

There will be something new coming to the PSAC schedule this year with addition of CW Post and Mercyhurst to the league.

“We're excited to have two new teams in the league,” said Hutchinson. “We have played Mercyhurst in the past, while CW Post will be a team we haven't seen in a few years. It should be fun.”
